

07 **Minimus** Duo LED Picture light

This light was developed for use with dual LED units as an addition to our "Clarus" lights, but with a pipe diameter of 18mm. The "Minimus" comes with twice the brightness – a crucial decision when choosing a product.

An additional feature of using the "Minimus" for lighting paintings is that it produces ambient lighting. Most of the light is directed towards the picture, however some unavoidable stray light fills the room with an unnoticeable background brightness, which is good for our wellbeing.

Package contents: Light complete with LED bulbs, fastening set and dimmable ballast. (Sample on/off switch as well as a 100% touch control continuous dimmer.)

Technical specifications: **IP20**  

Material:	Brass
Illuminant:	Duo LED
LED efficiency class:	
Illuminant lifespan:	50.000 hours
Primary voltage:	220V - 240V
Secondary voltage:	DC 24V
Dimmable ballast 12W:	94 x 36 x 18 mm
Dimmable ballast 30W:	133 x 46 x 24 mm
Light tube:	Ø 18 mm, rotatably
Arm tube:	Ø 8 mm

Length	Colour	Watt / Lumen	Item number
