

06 Make up 5 Trio LED Mirror light

Pluggable top mounted light in a 24mm diameter frosted glass tube. Creates optimal light distribution in the mirror, in the room and on the user. These lights are pluggable, so they can be serviced any time.

A first class make-up light that suits your needs. Patented LED bulbs. This mirror was developed for use by TV makeup artists. The brightness can be adjusted with a separate dimmer. This geometry of the light is supported by our 3-band LED tube with a beam angle of 3 x 130 degrees.

Package contents:
Lamp complete with LED bulbs and power supply.

Technical specifications: **IP20**  

Material:	Brass
Illuminant:	LED 360°
Illuminant lifespan:	50000 hours
LED efficiency class:	
Primary voltage:	220V - 240V
Secondary voltage:	DC 24V
Ballast 30W dimension:	133 x 46 x 24 mm
Ballast 40W dimension:	132 x 44 x 28 mm
Light tube:	Ø 24 mm
Glass tube:	With transparent or frosted glass
